This RFP is being posted to the IDOA website (<http://www.IN.gov/idoa/2354.htm>) for downloading. A nominal fee will be charged for providing hard copies. Neither this RFP nor any response (proposal) submitted hereto are to be construed as a legal offer.

State	The State of Indiana
State Agency	As defined in IC 4-13-1, “state agency” means an authority, board, branch, commission, committee, department, division, or other instrumentality of the executive, including the administrative, department of state government.

1.3 PURPOSE OF THE RFP

The purpose of this RFP is to select a vendor that can satisfy the state’s need for E-rate consulting services that includes filing E-rate forms for 330+/- individual school corporations/entities purchasing Internet access from the state selected Internet Service Provider.

1.4 SUMMARY SCOPE OF WORK

The successful vendor will file all appropriate and necessary forms with the Universal Services Administrative Company (USAC). The vendor will be responsible for the electronic collection from each entity of all information necessary to complete these forms. The vendor is responsible retaining these electronic files and records for the life of the contract and shall make all such files available to the Indiana Department of Education upon request but at a minimum at the conclusion of the contract. Information to be retained includes application paperwork, PIA requests and responses, all certifications related to filing, and any other documents, e-mails, forms, and certification material to the filing and follow-up work (PIA) for E-rate service year 2012-2013 and 2013-2014. The vendor is also expected to have capacity to provide expert advice and

consultation services to the Indiana Department of Education related to any E-rate matters for which the state needs advice and guidance to support the use of the E-rate program in Indiana.

The services needed include :

- Collect information from school corporations to support E-rate filing
- File Form 471s
- File Form 486s
- Respond to PIA requests and other E-rate audits
- Support the state e-rate coordinator in communicating with schools and in addressing state-level filing matters

In aggregate, the State expects to spend approximately \$337,000 on a contract for e-rate filing and consulting services. This figure will be used as the state's baseline estimate for cost evaluation. This figure is based on \$150,000 annually for each of the two filing years, and \$37,000 for transition/carryover costs to finish up filing for 2013-2014 that will occur after the filing year has closed.

These figures are only an estimate and are not to be construed as an amount to be offered under this RFP. **However, when completing Minority and Women's Business Enterprises participation (Attachment A) as well as the Indiana Economic Impact form (Attachment C), please use the auto-calculated total bid amount from the Cost Proposal (Attachment D).**

The IDOA Procurement Division maintains two databases of vendor information. The Bidder registration database is set up for vendors to register if you are interested in selling a product or service to the State of Indiana. Respondents may register on-line at no cost to become a Bidder with the State of Indiana. To complete the on-line Bidder registration, go to <http://www.in.gov/idoa/2464.htm>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents do need to be registered to bid on and receive email

notifications. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFP or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority or Women Owned Business under IC 4-13-16.5-1. See Section 1.21 and Attachment A for Minority and Women Business information.

The Technical Proposal must be divided into the sections as described below. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. RFP language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State. **The Technical Proposal Template is Attachment F.**

The proposal evaluation team will review the proposals and score each based on responses for each item. Evaluation will be based both on the sufficiency of the answers provided and the comprehensiveness of the proposed solutions.

2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with state agencies must complete an “Indiana Economic Impact” form (Attachment C). The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent’s responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select one category. Certify this selection by clicking the check

box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business' status. The registration process should be complete at the time of proposal submission.

Defining an Indiana Business:

“Indiana business” refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

Respondents claiming this status must indicate which of the provisions above qualifies them as an Indiana business. They must also fully complete the Indiana Economic Impact Form (Attachment C) and include it with their response.

The following is the policy concerning items 4 & 5 described below. Appropriate documentation must be provided with your proposal response supporting either claim made below:

- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

Substantial Capital Investment:

Any company that can demonstrate a minimum capital investment of \$5 million or more in plant and/or equipment or annual lease payments of \$2.5 million or more shall qualify as an Indiana business under category #4. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

Substantial Indiana Economic Impact:

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under category #5. If a Respondent needs assistance in determining if its business qualifies under this criterion, please send an email inquiry to buyindianainvest@idoa.in.gov and you will receive a response within forty-eight (48) hours. If an out of state company does not meet one of these criteria, it can submit documentation/justification to the State for review for inclusion under this category.

SECTION THREE PROPOSAL EVALUATION

3.1 PROPOSAL EVALUATION PROCEDURE

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 If technical proposals are close to equal, greater weight may be given to price.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and Indiana Department of Education for further action, such as contract negotiations. If, however, IDOA and Indiana Department of Education decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 107). Negative points may be assigned in the cost score. Additionally, there is an opportunity for a bonus of five points if certain criteria are met.

For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	25 points
3. Cost (Cost Proposal)	-30 to +30 available points (5 bonus points are available if certain criteria is met)
4. Indiana Economic Impact	15
5. Buy Indiana	10
6. Minority (10) and Women Business (10) Subcontractor Commitment	20 (2 bonus points are available if certain criteria is met)
Total	100 (107 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 55 points with a potential of 5 bonus points if certain criteria are met. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions focused on cost and other proposal elements.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

3.2.1 Adherence to Requirements – Pass/Fail

Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories cannot exceed 55 points.

3.2.2 Management Assessment/Quality - **25** points

3.2.3 Price – **30** points available

Price will be measured against the State’s baseline cost for this scope of work. The cost that the State is currently paying or its best estimate will constitute the baseline cost. Cost scoring points will be assigned as follows:

- Respondents who meet the State’s current baseline cost will receive zero (0) cost points.
- Respondents who propose a decrease to the State’s current costs will receive positive points at the same rate as bid increasing cost.
- Respondents who propose an increase to the State’s current cost will receive negative points at the same rate as bid lowering cost.
- Respondents who propose a 10% decrease to the State’s current baseline cost will receive all of the available cost points.
- If multiple Respondents decrease costs below 10% of the current baseline, an additional 5 points will be added to the Respondent proposing the lowest cost to the State.

3.2.4 Indiana Economic Impact (15 points)

See Section 2.6 for additional information.

The total number of full time equivalent (FTE – please see Section 1.2 for a definition of FTE’s) Indiana resident employees for the Respondent’s proposal (prime contractor and subcontractors) will be used to evaluate the Respondent’s Indiana Economic Impact. Points will be awarded based on a graduated scale. The Respondent with the most Indiana FTEs will be awarded 15 points. Points will then be awarded to the remaining

Respondents proportionately.

3.2.5 Buy Indiana Initiative – 10 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 10 points in this category.

3.2.6 Minority (10 points) & Women's Business (10 points) Subcontractor Commitment - (20 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 20 point plus a possible 2 bonus point scale (MBE: Possible 10 points + 1 bonus point, WBE: Possible 10 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	1.25	2.50	3.75	5.00	6.25	7.50	8.75	10.00

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 8.75 pts., 7.50% will be rounded up to 8% = 10.00 pts.)

If the respondent's commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable CUF participation which exceeds the stated goal for the respective MBE or WBE category will be awarded 11 points (10 points plus 1 bonus point). In cases where there is a tie for the greatest applicable CUF participation and both firms exceed the goal for the respective MBE/WBE category both firms will receive 11 points.

The Commissioner of IDOA or his designee will, in the exercise of his sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
